

All About **Human!**

STANDING COMMITTEE

MEMBERS NEEDED

What is a standing committee?

Standing committees are required by the State of VT and are voluntary advisory groups involving people receiving services and other members of the community who are not employed by the agency.

The standing committees are the voice of the community and provide input regarding Department of Mental Health policies and the state system of care plan.

NKHS Adult Mental Health and Children's Standing Committees are looking for new committee members.

Committees meet monthly for 60-90 minutes via Zoom.

All meetings are open to the public.

FOR MORE INFORMATION

To learn more about becoming a member of a standing committee please email Carol Hemenway at chemenway@nkhs.net or call 802-748-3181.

OUR MISSION

We're all about being human. Our mission is to empower individuals, families and communities by promoting hope, healing, and support.

OUR VALUES

Person-Centered We engage with the whole person, meeting everyone where they are on their journey. We recognize strengths and embrace diverse identities.

Community Strong connections and relationships are the foundation of our mission. We advocate for inclusive spaces that honor diversity, knowing that varied lived experiences strengthen our work.

Discovery We prioritize curiosity and understanding over making assumptions. By seeking understanding and valuing diverse insights, we make thoughtful decisions and foster growth for ourselves and those we serve.

Dignity Every person has inherent value and the right to belong, regardless of their condition, status, or identity. We advocate for change that destigmatizes mental health, substance use, and developmental disabilities, ensuring equal rights, support, and respect.

Courage We recognize the bravery it takes to seek help. With compassion and strength, we walk alongside others, celebrating resilience and illuminating the path to healing and growth.
